

44 x 56 DuroCell® Pallet

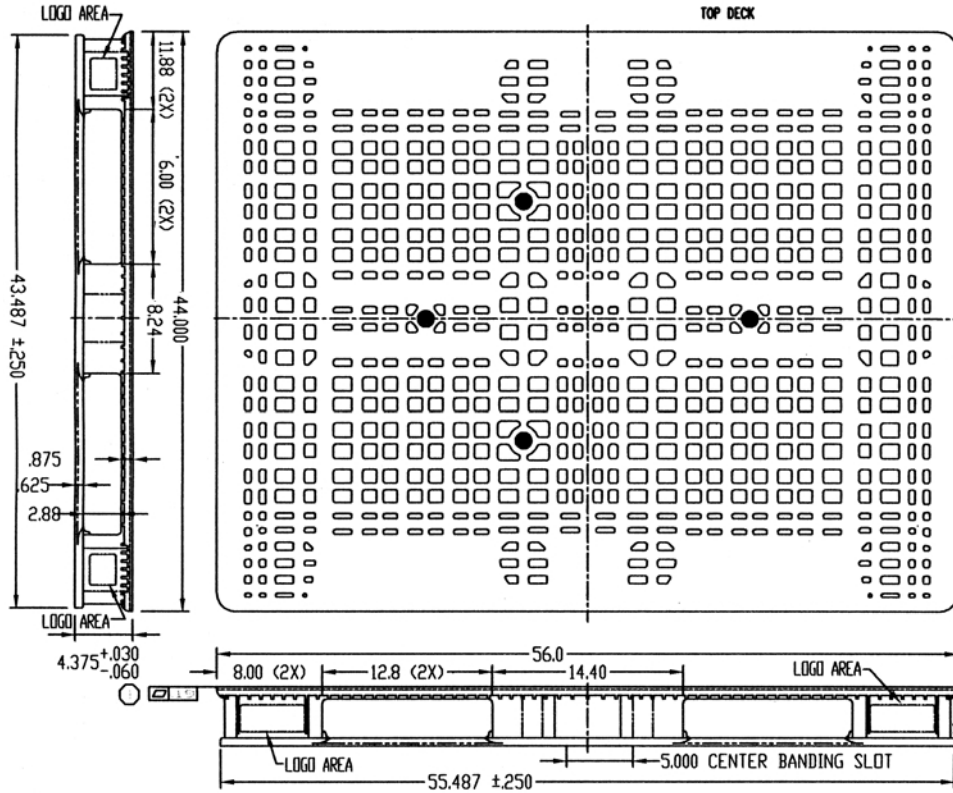

The 44 x 56 DuroCell Pallet is built for durability in the beverage and can industries and many other applications. Heavy-duty one-piece structural foam construction provides exceptional performance and durability. It's easy to clean, won't warp, and stays the same low weight, wet or dry. The DuroCell pallet is compatible with most automated systems and the 12-leg design allows for flexibility in banding loads.

Industry Applications:

- Food processing
- Beverage
- Automotive
- Warehousing
- General industry
